Subject: Resignation from School Building Committee

Dear Stan,

Congratulations on securing approvals from boards and committees in the Town of Concord for the construction of the new Regional High School. This seems like an opportune time for me to step down from my seat on the School Building Committee. So I am hereby submitting my resignation effective immediately.

Much has been accomplished during the seven weeks you have served as chair, and I applaud your efforts to manage the project in as business-like and transparent a manner as possible. I hope you and the consultants working on the project will feel free to contact me if my office can assist in advancing the project in any way.

Sincerely,

  
Christopher Whelan  
Town Manager
